SECRETARY'S REPORT 2024

This year saw our membership at 79 with 58 participating in racing on the tough North East Track. Our previous years on this track saw 68 participating in 2014 and 50 in 2018, so not to bad for this year considering declining numbers generally in our sport.

Financially, as can be seen from the 2024 annual statement enclosed, we have had a successful year with the assets increased through the purchase of our forklift and and tossing unit. Our highest expenditure was again transport which as with our previous years, we continue to tender and negotiate our future transport needs that best suits the track we are on, number of flyers participating and the VRPU members.

This year we transported all Federation races with the WPF in their new truck being picked up weekly from our rooms under a negotiated agreement based on a ratio of the number of WPF flyers to the number VRPU flyers for the North East track.

I would again like to take this opportunity in thanking our Transport Officer, John Share, he did a great job weekly loading and unloading of units. To the team that generously gave their weekly time in loading and unloading units at the VRPU rooms, T.Price, G.Church, J.Denaro, S.Cini, M.Rifat and L.Taliana thank you.

The North East track season was scheduled with a 7 race Short series and a 11 race Distance series and one (1) Combine race giving of total 19 races for the combined season.

This year's series had 55 flyers as our largest entry for Finley (1). Race entries were only fair for the Sprint Series with our highest race entry being 1688 birds for Shepparton (2). For the Distance series entries dropped considerably with the lowest being 264 birds for Collarenebri – Union Cup (Excluding the National)

Our fastest event for the year was Narromine (1) on the 28/09/24 taken out by the Denaro & Cini with a velocity of 1826.77 mpm and our slowest was the Coonamble P Stoke Memorial on the 19/10/24 taken out by G & S Church with a velocity of 867.74 mpm.

To the room stewards, Robert Cauchi and John Ranno thanks for your works in preparing the rooms for basketing and coordinating handlers, entries, clocking etc. each week. To Steve Veljanovski and Kevin Leighton for assisting in the early set ups each week. To Mick Doria who also helped weekly and coordinated the Benzing clocks, to Pauline Pace for the Tauris clock works, to Barry Dodds and Joe Denaro for their efforts with the manual clocks, all thank you.

Again, this year saw us having the rooms and units cleaned on a weekly basis. We thank Pierre and Simone Anastasi for their efforts and to Mick Edwards and Peter Sawyer with the running the kitchen on a weekly basis.

We thank Steve Cini and Mark Cavanagh, forming the Liberation committee, for liaising, coordinating, and confirming releases of the birds weekly together with assistance from the weather man Joe Denaro.

The Short Distance series saw Pascoe Vale flyer Mick Doria win, for the third year in a row, taking 7 positions including two (2) 1st Federations and two (2) 2nd Federations. Denaro & Cini, also from Pascoe Vale, won the Long Distance series with 11 positions all in the top 10 including a 1st and a 2nd Federation. The Combined series, once again, was taken out by Mick Doria for the second year in a row. He achieved 19 Federation positions from a possible 19 with four (4) 1st Federation positions and three (3) 2nd Federation positions and one (1) 3rd Federation position with no positions less than 12th Federation. Well done, a super achievement.

Again, I would like to single out some people for special thanks:

- My fellow Committee members for giving up family time to attend meetings and assist in running the Union.
- To those in helping us get the Fed result out in a timely manner.
- For extra efforts in running and coordinating this season's "Classic" race by Tony Price.
- Peter Sawyer for transporting the Classic birds without a hitch.
- Pierre Anastasi for his patience and persistence as ring secretary.
- The clock committee for setting everyone's clocks.
- A special thanks to the Craigieburn Club for their donation of \$6000 to the VPU spent on our reconditioned forklift and

Again, thank you to all those mentioned above and thank you to anyone else who I may have missed.

On behalf of the Committee, we wish you all the very best of luck for 2025.

Jim Davis
Secretary /Treasurer

PRESIDENT'S ADDENDUM

Another successful and enjoyable season for 2024 North East Series. The racing was hard as usual on the North East line. The truck drivers and Rob the convoyer did a fantastic job and our birds returned in good order.

A special thank you to our hard-working secretary Jim Davis. Jim collected all the entries and got the results out in a timely manner. He ensures the smooth overall running of the Union. I value his support and his input in management decisions.

Thank you to the board of management for their hard work and support in conducting the years racing program. Several nights were spent modifying the units to ensure completion and all board members assisted. A special thanks to Kevin Leighton and Mehmet Rifat who also attended the working bees.

I am looking forward to the 2025 season and I encourage members to put forward their ideas to their board members so that our rooms are up there with the best.

Tony Price
President.
